The image shows a 6x7 grid of 42 empty square boxes. Each box is defined by a black outline. The grid is organized into six rows and seven columns. In each row, the last three boxes from the left are filled with a solid pink color, while the first four boxes remain white. This pattern repeats across all six rows.

A 6x8 grid of 48 empty square boxes, arranged in 6 rows and 8 columns. The boxes are outlined in black. The last two columns of the last three rows are highlighted in pink.

The image shows a 6x8 grid of 48 empty square boxes. The boxes are arranged in six rows and eight columns. In each row, the last two boxes from the left are filled with a bright pink color, while the other six boxes are white with black outlines. This pattern repeats across all six rows.

A 6x8 grid of 48 empty square boxes, designed for children to draw or color in. The boxes are arranged in six rows and eight columns.

A 6x6 grid of squares. The last two squares in each row are highlighted with a thick pink border, while the other four are black-bordered.
